# OVERVIEW

Avitech Pvt Ltd specializes in providing high-quality aviation and telecommunications accessories and services. Our products range from essential hardware to advanced technology solutions that enhance connectivity for businesses and consumers alike. We pride ourselves on our commitment to innovation and customer satisfaction.

## KEY PERSONNEL

Avitech Pvt Ltd was founded by a group of information technology enthusiasts and telecommunication industry experts, including:

- 👤 **Andrew Daka, CEO:** With over 20 years in the Information Technology and Communication industry, Andrew has a wealth of experience in telecommunications computer engineering and business management. His vision drives Avitech’s growth and innovation.
- ✈️ **Suradzai Nine, COO:** Sarudzai brings his expertise in operations and customer management. He has played a crucial role in optimizing relationships with major aviation and telecommunications value chains and ensuring timely delivery products

## Mission Statement

To deliver innovative and reliable aviation and telecommunication technology solutions that meet the evolving needs of the telecommunication and aviation industry, ensuring safety and satisfaction for our customers.

## Vision

To be the preferred partner for aviation and telecommunications professionals worldwide, recognized for our innovation, reliability, and dedication to service excellence.

## Core Values

- 01 Safety:** We prioritize the safety of our customers in everything we do.
  - 02 Quality:** We are committed to providing products that meet rigorous industry standards.
  - 03 Innovation:** We continuously seek new ways to enhance our products and services.
  - 04 Customer Focus:** Our customers are at the heart of our business; we listen and respond to their needs.
